DISASTERPIECE

Embracing our Failures in Cyprus!

We are excited to share with you our new 'disaster pieces' we have come across in our meeting in Cyprus! The chaotic team of 'Disasterpiece!' met in Cyprus on the 23rd & 24th of September reviewing the project and its progress...

Disasterpiece! x Panossonic UnCut Podcast

The disaster team made an appearance at the CUT radio in Limassol, at the Panasonic UnCut Podcast! The team had the pleasure to talk about the 'Disasterpiece!' project, and the concept of failure in our daily lives and how we can embrace it. You can find the podcast on Spotify and Youtube.

Fuck Up Nights Limassol :)

The team ended the night with the at the Fuck up nights Limassol event. The event focused on professional failure, so what a better way than attending an event where we get to bond through our disasters!

"Funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the European Education and Culture Executive Agency (EACEA). Neither the European Union nor EACEA can be held responsible for them"

What is coming up next?

Disasterpiece 'tour' in Cyprus, Italy and Spain. In these events we will be gathering feedback on the 'Manual of Generative failure' from young people and professionals working with young people. The manual includes all the materials developed through the project including research on the concept of failure, 'successful failures' stories, collection of personal accounts & podcasts!

***scan the QR code
and share your
failures with us !***

Disasterpiece online event where young people and professionals will join together in bonding and discussing over failure and have the chance to:

- Hear stories of failure shared by people from across Europe
- Rethink and reframe your perception of failure
- Discover practical tools and approaches for navigating difficult moments
